

## GUIDED EVENING NATURE WALK WITH ECO-TOUR GUIDE SAM YUE

FRIDAY 2 NOVEMBER 2018

Many Members will remember Sam's stimulating photographic exhibition and dinner talk on HK Wildlife Encounters in April last year, followed in June by a guided evening nature walk led by him in his local Lung Fu Shan Country Park, where he regularly sees (and photographs) nocturnal wildlife. For those that missed the opportunity then, or those that simply want to go again, here is another chance to join. The details are:

MEETING PLACE: at the top of the lift of Exit A2, HKU MTR station. The walk will also end here.

START/FINISH TIME: 7:30pm / 10:30pm

DESCRIPTION: The walk will include walking up/down roughly 50 steps and some slight slopes, so it may not be suitable for people with severe knee problems, but it should be fine for most NHS members who are reasonably fit.

BRING: **a torch or headlight – essential.** Water or sports drink in re-usable bottle. Mosquito repellent and /or long trousers if you tend to get bitten, although the risk is low in November.

COST: \$150 per Member / \$200 per Guest.

PLEASE NOTE: Due to the need to be fairly quiet on activities of this kind, numbers will be limited so do apply promptly if you wish to join. Members will have priority and Guests only allowed if numbers permit.

BOOKING: please complete booking form and crossed cheque made payable to Hong Kong Natural History Society and send to GPO Box 4369, Central, Hong Kong *by Wednesday 31 October.*

CONTACT: Jan on [hellojan@netvigator.com](mailto:hellojan@netvigator.com) if you have any questions.
